FALMOUTH CIVIC SOCIETY EVENT DATES

27th February 2020 - Mike Johnson will give a talk on Admiral Fitzroy.

Mike is a retired Architect who designed major industrial projects over a 30 year career.

In retirement, amongst participating in many interesting activities, he and his wife Helen have also found time to become active committee members of Falmouth Civic Society.

They have recently been intrigued by the missing Fitzroy barometer in Falmouth, so

in February, Mike will be giving us a very interesting and informative talk about Admiral Fitzroy and his important role in history. See below.

Admiral Fitzroy. Robert FitzRoy (5 July 1805 – 30 April 1865) achieved lasting fame as the captain of HMS Beagle during Charles Darwin's famous voyage, and as a pioneering meteorologist who made accurate weather forecasting a reality.

Venue Bowling Club, Falmouth - 2.30pm. Members £3 and guests £5 - To include tea/coffee and cake.

A Sharp Pencil

25 Jan 2020 - 21 Mar 2020

The super sharp pencil used by Falmouth-based artist Patrick Woodroffe is the inspiration behind this celebration of all forms of drawing. Patrick's highly detailed drawings will be displayed alongside those by his friend, Peter Markey, who shared Patrick's quirky sense of humour but developed his own distinctive drawing style. These works will be displayed alongside pencil masterpieces drawn from Falmouth's collection and loans by contemporary artists.

Poem of the Week

The daffs are out and so it's got to be the following:

Daffodil fields around Mawnan Smith in a previous year.
